

SEEKS FATHER LONG LOST.

One Ten Years, Miss Katz Looks for Him on Coast.

LOS ANGELES, Nov. 11.—Miss Elsie Katz of New York reached Los Angeles today in a search which she has conducted for ten years to locate her father, Bernhard Katz. Miss Katz said she had a clue indicating that her father was living at an orange ranch in Southern California.

"I last heard of my father when he was in Everett, Washington," said Miss Katz. "That was in 1910. Since that time I have had no word from him."

Miss Katz said her father and her mother were divorced. Her father was a singer.

FOOD SOURING IN STOMACH CAUSES GAS, INDIGESTION

"Pape's Diapiesin" neutralizes acids in stomach and starts digestion.

Five minutes! No sourness, gas, heartburn, acidity or dyspepsia.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can surely get relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why it relieves sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but what will please you most is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gas, heartburn, sourness, dyspepsia or any stomach misery.

Get some now, this minute, and rid yourself of stomach misery and indigestion in five minutes.—Adv.

SOLEMN CONCLAVE OF FOUR BULL MOOSE

Neither Wake Nor Autopsy, but Only a Luncheon, Said Col. Roosevelt.

On the fourteenth floor of the Hotel Vanderbilt, about as quiet and out-of-the-way place as might be found, there was held yesterday a mysterious ceremony, which apparently had something to do with a wide-antlered creature whose head recently appeared as a political emblem on balloons.

There were present Col. Roosevelt, the Big Moose himself; George W. Perkins, who has frequently given the herd rations; William Hamilton Childs, who blows the horn which leads what remains of the herd in Brooklyn; and Horace F. Wilkinson, the tender-hearted keeper of the noble animals about Syracuse.

Some persons who heard of the secret ceremony said it was in the nature of a wake. The Colonel, through his Secretary, said the affair was simply a luncheon.

When the maid failed to appear with the baby she hurried home and found the house in disorder, clothing and jewelry gone.

The baby, in its carriage, was found by Policeman Gray last evening in the Trinity Cemetery at Amsterdam Avenue and One Hundred and Fifty-third Street.

Sunday School Supt. Tells How "Fruit-a-tives" Relieved

"I have lived in this city for more than 12 years and am well known. I suffered from Rheumatism, especially in my hands. I spent a lot of money without any good results. I have taken 'Fruit-a-tives' for 18 months now and am pleased to tell you that I am well. All the enlargement has not left my hands, and perhaps never will, but the soreness is all gone and I can do any kind of work. I have gained 35 pounds in eighteen months."
